## FEATURED PRODUCERS

### BASS PHILLIP ESTATE

Bass Phillip was founded in 1979 by Mr Phillip Jones, who was inspired to name the winery after the British naval explorers, George Bass & Arthur Phillip. His original vision was to recreate his favourite wines from Bordeaux, and so originally planted Cabernet Sauvignon. These vines, however, never took root and for 12 years not a single bottle of wine was produced. After much thought (& thankfully for the Australian Wine Industry) he pivoted and began planting Pinot Noir & Chardonnay, which would ultimately come to produce some of Australia's most esteemed, and structurally elegant examples of both varieties.

The winery is dedicated to sustainable, organic & biodynamic farming; with the wines themselves organically certified since 1993, and biodynamic practices in place since 2002, allowing the grapes to grow in harmony with the environment from which they originate. Each bottle is meticulously crafted by hand, with a focus on minimal intervention allowing the true character of the fruit to shine through, and showcasing the unique characteristics of the vineyard.

As of April 2020, Jean-Marie Fourrier (Domaine Fourrier) has taken the helm and is now the Chief Winemaker & viticulturalist for the company, ushering in a new age Burgundian styles of Pinot Noir & Chardonnay in Australia. His wealth of experience across the globe and under-study with Burgundy legend Henri Jayer will cement the lasting legacy of one of Australia's most recognisable and prestigious wine labels.

125ml 750ml

**2021 Bass Phillip 'Estate' Chardonnay** . . . . . LEONGATHA VIC . . . . . 43 . . .218  
*A creamy style of Chardonnay with ripe stonefruit flavours, peach & nectarine, which give way to an opulent, fleshy palate. Bright citrus compliments the round and supple body of the wine.*

**2020 Bass Phillip Gamay** . . . . . GIPPSLAND VIC . . . . . .153  
*A step away from the traditional production of Pinot Noir and introducing his Burgundian heritage, a juicy, vibrant example of Gamay in Australia. It is an energetic wine with fresh aromas of red berries, kitchen spices with a wild strawberry finish. A long, lingering finish that will keep you coming back for more.*

**2021 Bass Phillip 'Since 1979' Pinot Noir** . . . . . LEONGATHA VIC . . . . . 27 . . .135  
*An elegant, riper style of Pinot Noir created to be enjoyed immediately. A fresh and bright example with lots of upfront appeal. Layered palate with notes of black cherry, hints of anise, luscious and textural mouthfeel. A small selection of the best parcels from the Estate Vineyard, its slick, sexy and what put Bass Phillip on the map.*

**2017 Bass Phillip 'Estate' Pinot Noir** . . . . . LEONGATHA VIC . . . . . .311  
*The benchmark for all the Estate wines. This example has a rich fruit flavour, fine spices and is very well structured. Regarded as one of the better vintages of its time with warmer growing conditions, the wine itself has plenty of depth and power whilst maintaining a finesse and elegance for which the winery is known.*

## FEATURED PRODUCERS

### DOMAINE CONFURON-GINDRE

Nestled in the heart of Burgundy, this esteemed winery has been crafting exceptional wines for generations. With a heritage dating back to 1750, Domaine Confuron-Gindre was established 6 generations ago in Vosne-Romanee and is located on Rue de la Tache, one of the most prized areas for Pinot Noir in the world.

Francois Confuron-Gindre also owns a number of different vineyards in the region, including sites in Vosne-Romanee, Nuits Saint Georges & Gevrey Chambertin. The Domaine accounts for 11ha within Burgundy with 5 village wines, 4 premier crus (1er) in Vosne-Romanee and one Grand Cru in Echezeaux, showcasing the depth and quality of production of this Domaine.

Francois has always been an advocate of sustainable and organic viticulture, working in harmony with the environment by ploughing the soils manually by hand, avoiding the use of herbicides and maintaining a healthy level of old vines within the estate. Working with biodiversity in the vineyard is paramount for the Confuron family with their wines truly reflecting the Burgundian terroir. With a lineage deeply rooted in the art of winemaking, Francois carries forward the generational expertise of his family. He remains committed to producing wines that are a genuine expression of the land, the climate and the heritage of Burgundy.

125ml 750ml

**2021 Francois Confuron-Gindre Aligote** . . . . . **VOSNE-ROMANEE FR** . . . . . 30 . . .167  
*Sometimes seen as inferior to the traditional White Burgundy (Chardonnay), Aligote is quickly establishing itself as a fantastic alternative to its higher priced cousin. Sitting somewhere between crisp Chablis & bold Montrachet, this vibrant, textural and ever so slightly weighted example is meant to be enjoyed young. Think nectarine, peaches with a salty backbone and a delicate finish of lemon meringue. Yum.*

**2021 Francois Confuron-Gindre Coteaux Bourguignons** . . . **BOURGOGNE FR** . . . . . 28 . . .155  
*A fun, Nouveau approach to traditional Red Burgundy. By blending a small percentage of Gamay, it gives the wine an almost luscious & seductive palate whilst energising the wine as a whole. Flavours of zippy blackberry meshed with raspberry, combine with a silky texture and polished tannins to create something fun & approachable for everyone.*

**2021 Francois Confuron-Gindre Vosne - Romanee** . . . . . **VOSNE-ROMANEE FR** . . . . . 388  
*A blend of 10 different plots across the appellation of Vosne-Romanee, this cuvee is the ultimate expression of 'place'. Each plot brings its own character to the final wine with the vine averaging between 30 - 70yrs old. A bouquet of dried violetm rose petal and smoked spice flow from the glass with a firm palate of dark fruitm redcurrant and black cherries. A special something for a special someone.*

**2021 Francois Confuron-Gindre Gevrey Chambertin**. . . . . **GEVREY CHAMBERTIN FR** . . . . . 422  
*Characterised by its rich, luxurious nose, punchy red fruit backbone and an almost purple plum palate, the wine may seem a touch disjointed to begin with. But given a bit of time and a little bit of air, the finesse and elegance of the cuvee really come to the forefront. Supported by fine, intergrated tannins, racy sharp acidity and a slight herbal note (25% whole bunch) this wine is the complete package. One avialable and once its gone, its gone...*

# PRODUCER IN FOCUS

## TEN MINUTES BY TRACTOR

Located in Victoria's pristine Mornington Peninsula, Ten Minutes By Tractor is story that began some 30yrs ago with a group of like-minded individuals and a common goal - a desire to produce some of the region's most exquisite examples of Chardonnay and Pinot Noir.

The idea began in the early 1990's when the McCutcheon and Wallis families sought viticultural advice about planting vineyards on their respective properties in Main Ridge, Victoria. They began planting in 1992, with the first of these crops being harvested in 1995. Quickly, they found that the individual operating costs far exceeded what was viable to make the individual family vineyards a success, and so after extensive discussions carried out with the VIC Government and neighbouring families, the decision was made to create a single Estate, comprised of all the individual vineyards owned by the different families.

Once each of the families had agreed to work together they set out to establish a name for the Estate, and the eventual name derived from the simple fact that each of these original vineyards are exactly 10 minutes apart from one another by tractor... Since its inception, the Estate has expanded to 6 vineyards in total across the region, with a focus on expressing the unique attributes and terroir of each of the individual sites.

In 2003, Ten Minutes by Tractor Wine Co was acquired by Martin & Karen Spedding, however, the personal and commercial relationships with the founding growers still remains heavily prioritised and intact, with some of the single vineyard bottlings even honouring these family names each year. Over the past 20yrs, the Speddings have worked tirelessly to improve the winery and vineyards themselves, and - as a result - Ten Minutes By Tractor is now viewed as one of Australia's leading cool climate wineries.

With a strong focus on continually learning and improving, Martin believes that *'over time, we produce wines which reveal more and more of the unique quality and character of our vineyards, wines which are harmonious, that sing with food and which keep luring us back to the glass'*.

We are fortunate here at Armorica to have been given access to some of these rare and spectacular wines to share with you. Executive Chef Jose Saulog, Head Chef Julian Smith & Head Sommelier Harrison Doughman have put together a short list of recommended pairings from our current menu. We hope you enjoy them as much as we do.
